Dear Customer,

Thank you for your interest in Consolidated Rigging's parachutes.

In the interest of tracking the use of our demo canopies and to maximize our on going product development we would appreciate a moment of your time to complete the following form.

What size and model of canopy did you try? _____

What is your body weight? _____

How many jumps did you make on the demo canopy? _____

Of these how many these involved a slider for deployment? _____

Please rate the following statements by placing an 'X' in the appropriate box.

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
The openings were clean and predictable					
The deployment heading performance was what I want from a canopy					
The canopy was responsive in flight					
The flare was noticeable and provided a nice transition to landing					
Construction quality was high
